Ten Ways

The Regent University Online Library can help you succeed!

1. Visit the Library Homepage to start your journey! www.regent.edu/lib

2. Use Summon to search our Library Catalog and numerous databases at one time

3. Chat with a librarian live, anywhere, anytime.

4. Use a local library, or have books shipped to your home, and nearly any article made available through our Interlibrary Loan (ILL) service.

5. Connect to the Library in Blackboard via the Library Resource Center (LRC).

6. Ask a Librarian for research assistance via video conference, text, phone, email, or chat.

7. Locate books and gain immediate access to ebooks via the Library Catalog.

8. Find online journal articles, streaming videos and more via our extensive database list.

9. Pinpoint resources about specific subjects or categories with our Research Guides.

10. View online video tutorials anytime on the Library YouTube page.
